FormCraft Document & Template Master Register

Oct 9, 2026 · @formcraft

Status, 10 Oct 2026: the register is built. The library holds about 240 templates in Downloads/Formcraft_Template_Library: printable PDFs, fillable forms, Word, Excel and PNG social posts.

FormCraft can template about 140 documents across nine families, all generated from one brand kit and one numbering system. This register lists every one, what it does, and the standard it follows, so we can build them in order.

How this register works

Every template gets a permanent code so files, prints and records never get confused. The code also becomes the document's reference number when issued.

Template code: `FMC-[FAMILY]-[TYPE]` (e.g. `FMC-FIN-RCT` = Finance, Receipt)

Issued document number: `FMC-[TYPE]-[SECTOR]-[YYYY]-[####]` (e.g. `FMC-RCT-CRF-2026-0041` = 41st craft receipt of 2026)

Sector code	Sector	Notes
CRF	Craft works	Furniture, decor, bespoke pieces
CNC	Concrete	Products, precast, supply and pours
SDC	Studio & Construction	Design and build share one series, as you asked
GEN	Company-wide	Letters, HR, admin not tied to a sector

Family code	Family	Part
BRD	Brand foundation	A
IDN	Identity & stationery	B
MKT	Marketing	C
SAL	Sales & engagement	D

Family code	Family	Part
FIN	Finance	E
CAD	Construction administration	F
STD	Studio / design	G
CRF / CNC	Sector-specific	H
ADM	HR, admin, HSE	I

Standards used throughout

- **Paper sizes:** ISO 216 (A4 for most documents, A5 for receipts and flyers, A3–A1 for posters and boards). Envelopes ISO 269 (DL, C5, C4).
- **Document control:** file naming, revision codes (P01 = preliminary, C01 = contractual) and status codes follow ISO 19650-2, the same logic as your BIM setout, so construction and BIM records speak one language.
- **Tax documents (Uganda):** VAT-registered businesses issue invoices and receipts through URA's EFRIS system, with the fiscal document number and QR code on the face. Templates will carry a slot for these. VAT is currently 18%; confirm your registration status with your accountant.
- **Dates and money:** ISO 8601 dates (2026-10-09), amounts in UGX with thousands separators (UGX 1,250,000), currency stated on every financial document.
- **Contracts:** construction forms reference FIDIC (commonly used in East Africa) and the PPDA procedures where you bid for Ugandan public work. Studio stages follow the RIBA Plan of Work 0–7.
- **Accessibility:** minimum 9 pt body text on print, contrast ratio of 4.5:1 for text (WCAG 2.2 AA) on digital templates.

Part A — Brand foundation (organising your designer's files)

Everything else is built from these seven items, so we sort the designer's files first. Each template will pull its logo, colours and fonts from here only.

Code	Document	What it is and why it matters	Standard / format
FMC-BRD-GDL	Brand guidelines (summary)	A 6–10 page rulebook: logo use, clear space, minimum size, colours, fonts, tone of voice, do's and don'ts. Anyone (printer, staff, freelancer) follows it without asking you.	A4 PDF + Docs version
FMC-BRD-LGO	Logo pack	Every logo version: primary, secondary/stacked, icon/monogram, white (reversed), black, and one per sector (Craft, Concrete, Studio & Construction) if the designer made them.	SVG + PDF (print, vector), PNG transparent (web), CMYK and RGB versions
FMC-BRD-CLR	Colour specification	Each brand colour in four systems so print and screen match.	HEX + RGB (screen), CMYK (print), Pantone/PMS (signage, merch)
FMC-BRD-TYP	Typography sheet	Heading, body and numeric fonts with sizes for each use, plus free fallbacks for Word/Google.	Font files + licence notes
FMC-BRD-AST	Asset library	Photos of finished work, textures (timber, concrete), icons, patterns, mock-ups.	Folder per sector, images ≥ 300 dpi for print
FMC-BRD-VOC	Tone of voice & boilerplate	Your one-line tagline, 50-word and 150-word company descriptions, service lists per sector. Reused in every proposal and brochure so wording stays consistent.	Text document
FMC-BRD-FLD	Master folder structure	The filing system for all of the above and every template below.	See structure below

Proposed master folder structure

1. `00_Brand` — logos, colours, fonts, guidelines, assets
2. `01_Identity` — stationery and cards
3. `02_Marketing` — posters, brochures, social, signage
4. `03_Sales` — proposals, quotations, agreements
5. `04_Finance` — invoices, receipts, forms (subfolders CRF, CNC, SDC)
6. `05_Construction-Admin` — RFIs, instructions, reports, certificates
7. `06_Studio` — briefs, sign-offs, issue sheets
8. `07_Sector` — Craft and Concrete specific forms
9. `08_Admin-HR-HSE`
10. `99_Archive` — superseded versions, never deleted

What I need from you: upload the designer's files (any format) and I'll sort them into this structure and flag anything missing.

Part B — Corporate identity & stationery

These 14 items make FormCraft look like one company on paper, on site and online.

Code	Document	What it is and why it matters	Standard / format
FMC-IDN-BCD	Business card	Name, title, phone, email, web, address, QR to portfolio or WhatsApp. One shared back design, sector colour accent on the front.	85 × 55 mm (common in East Africa; 90 × 55 mm also used), 3 mm bleed, 350–400 gsm
FMC-IDN-LTH	Letterhead	Base for all formal letters: logo, contacts, TIN, registration number, footer with bank details optional.	A4 (ISO 216), 20 mm margins, Word/Docs + print PDF
FMC-IDN-CPL	Continuation sheet	Page 2+ of letters, logo only.	A4
FMC-IDN-CMS	Compliment slip	Short note sent with samples, drawings or deliveries.	1/3 A4 (99 × 210 mm)

Code	Document	What it is and why it matters	Standard / format
FMC-IDN-ENV	Envelopes	Branded envelopes for letters, proposals, drawing sets.	DL (110 × 220), C5, C4 (ISO 269)
FMC-IDN-FLD	Presentation folder	Holds proposals and brochures at client meetings.	A4 folder with business-card slot
FMC-IDN-EML	Email signature	Consistent signature for everyone; logo, title, phone, links.	HTML, ⩽ 600 px wide
FMC-IDN-STP	Company stamp & seal	Used on receipts, delivery notes, certificates. Designed to match the brand.	Round 40 mm + rectangular
FMC-IDN-IDC	Staff ID card	Site access and identification.	ISO/IEC 7810 ID-1 (85.6 × 54 mm)
FMC-IDN-NBD	Site signboard	Required project board showing client, project, contractor, consultants.	Typically 2400 × 1200 mm; check local authority rules
FMC-IDN-HRD	Site hoarding graphics	Branded perimeter panels around construction sites.	Modular to panel size
FMC-IDN-VHC	Vehicle branding	Doors, rear, side panels for trucks/pickups and concrete mixers.	Vector, vinyl wrap specs
FMC-IDN-UNI	Uniform & PPE branding	Logo placement on overalls, reflector vests, helmets, T-shirts.	Placement guide
FMC-IDN-SOC	Social profile kit	Profile picture, cover images for Facebook, Instagram, LinkedIn, X, WhatsApp Business.	Platform sizes (e.g. 1080 × 1080, 1584 × 396)

Part C — Marketing & promotional templates

These 15 templates sell the work. Most come in three sector variants (CRF, CNC, SDC) sharing one layout grid.

Code	Document	What it is and why it matters	Standard / format
FMC-MKT-PRF	Company profile	The flagship document: who you are, services by sector, team, process, selected projects, clients, certifications, contacts. Sent with every tender.	A4, 12–24 pages, PDF + print
FMC-MKT-CAP	Capability statement	One-page version of the profile for tenders and quick introductions.	A4, 1–2 pages
FMC-MKT-BRC	Brochure (per sector)	Tri-fold: services, sample work, process, contacts. Three versions: Craft, Concrete, Studio & Construction.	A4 tri-fold (DL folded), 150–170 gsm
FMC-MKT-CAT	Product catalogue	Craft pieces and concrete products with photos, sizes, finishes, price bands.	A4 or A5 booklet; prices on separate insert so they can change
FMC-MKT-PRL	Price list	Standard rates per product or service; dated and versioned.	A4, one per sector
FMC-MKT-PST	Poster templates	Fixed grid with swap-in photo, headline, offer, contacts. Types: promotion, event/exhibition, new product, hiring, project completion.	A3, A2, A1 (ISO 216); 300 dpi
FMC-MKT-FLY	Flyer	Hand-out version of a poster, double-sided.	A5 / A6
FMC-MKT-RLU	Roll-up banner	Expos, site launches, office reception.	850 × 2000 mm
FMC-MKT-CSS	Case study sheet	One project per sheet: brief, challenge, solution, photos, client quote. Builds your portfolio.	A4, 1–2 pages

Code	Document	What it is and why it matters	Standard / format
FMC-MKT-PRT	Portfolio board	Large visual board of key projects for meetings and exhibitions.	A3 landscape / A1
FMC-MKT-SOC	Social media post kit	Templates for project reveal, before/after, tip, testimonial, promo, quote, team spotlight, carousel.	1080 × 1080, 1080 × 1350, 1080 × 1920 (stories)
FMC-MKT-DCK	Pitch presentation	Slide deck for client pitches and tender presentations.	16:9 slides
FMC-MKT-NWS	Newsletter / update email	Quarterly update to clients and partners.	HTML email, 600 px
FMC-MKT-TST	Testimonial request & card	Form asking clients for feedback and permission to quote them; card design for publishing it.	A4 form + social card
FMC-MKT-WEB	Website page templates	Home, sector pages, project page, contact. Only if you want a site built later.	Responsive HTML

Holiday & awareness day posts

FormCraft can post about 60 branded greetings a year: 14 Ugandan public holidays plus health, social and industry days. Three templates drive all of them.

Code	Document	What it is and why it matters	Standard / format
FMC-MKT-HOL	Public holiday greeting kit	Fixed layout: FormCraft logo, greeting headline, short message, one hero visual tied to the occasion (flag colours, crested crane, cross, crescent, star), contacts strip. Swap headline and visual only.	1080 × 1080, 1080 × 1350, 1080 × 1920 story; WhatsApp status

Code	Document	What it is and why it matters	Standard / format
FMC-MKT-AWR	Awareness day kit	Same grid with the cause's ribbon colour, a fact or call to action, and a helpline/resource line. Tone is respectful, never salesy: no prices or offers on these posts.	Same sizes; ribbon colour per cause
FMC-MKT-CAL	Annual content calendar	The dates below as a tracker: date, occasion, template, caption, status, posted link. Movable dates re-checked each January.	Spreadsheet

Uganda public holidays (2027 dates) — dates from CalendarLabs and HolidayDB. Eid dates depend on the moon sighting and are confirmed by the Uganda Muslim Supreme Council a day or two before, so the Eid graphics are prepared but held until announced. The President can also add holidays, such as election days.

Date (2027)	Occasion	Post angle
1 Jan	New Year's Day	"Building a stronger 2027 together"; year-in-review collage of projects
26 Jan	NRM Liberation Day	Respectful national greeting, flag colours
16 Feb	Archbishop Janani Luwum Day	Remembrance tone, simple and quiet design
8 Mar	International Women's Day	Celebrate women in design, craft and construction; team photos
9–10 Mar (tentative)	Eid al-Fitr	"Eid Mubarak" greeting, crescent motif
26 Mar	Good Friday	Reflective tone, cross motif
28 Mar	Easter Sunday	"Happy Easter"; not a public holiday but widely posted
29 Mar	Easter Monday	Optional; usually covered by the Easter post

Date (2027)	Occasion	Post angle
1 May	Labour Day	Thank your craftsmen, site crews and staff; photos of the team at work
16–17 May (tentative)	Eid al-Adha	"Eid Mubarak" greeting
3 Jun	Martyrs' Day	Respectful greeting; Namugongo pilgrimage reference
9 Jun	National Heroes Day	Honour heroes; can feature "builders of the nation" angle
9 Oct	Independence Day	Flag colours, crested crane, "building Uganda" message
25 Dec	Christmas Day	"Merry Christmas"; warm, festive design
26 Dec	Boxing Day	Optional; season's greetings follow-up

Health awareness days — recurring dates; ribbon colours are the widely used ones.

Date	Occasion	Post angle
January (month)	Cervical Cancer Awareness Month	Teal and white ribbon; encourage screening
4 Feb	World Cancer Day	Support for all fighting cancer; encourage early checks
15 Feb	International Childhood Cancer Day	Gold ribbon; support for children and families
2nd Thu of Mar (11 Mar 2027)	World Kidney Day	Health check reminder
24 Mar	World TB Day	Get tested, finish treatment
7 Apr	World Health Day	Healthy workplaces and homes
25 Apr	World Malaria Day	Sleep under a net, clear stagnant water on sites
28 Apr	World Day for Safety and Health at Work	Strong fit: your site safety culture, PPE photos

Date	Occasion	Post angle
31 May	World No Tobacco Day	Health message
14 Jun	World Blood Donor Day	Thank donors; staff donation drive
19 Jun	World Sickle Cell Day	Red/burgundy ribbon; know your status, support warriors
28 Jul	World Hepatitis Day	Testing and vaccination
September (month)	Childhood Cancer Awareness Month	Gold ribbon
10 Sep	World Suicide Prevention Day	Teal and purple ribbon; "you are not alone", helpline (see care notes)
29 Sep	World Heart Day	Heart health
October (month)	Breast Cancer Awareness Month	Pink ribbon; self-exam and screening
10 Oct	World Mental Health Day	Green ribbon; mental health at work, especially for site workers
November (month)	Movember / prostate cancer	Light blue ribbon; men's health checks
14 Nov	World Diabetes Day	Blue circle; health checks
1 Dec	World AIDS Day	Red ribbon; test, treat, end stigma
3 Dec	International Day of Persons with Disabilities	Accessible design and building — strong fit for the studio

Social and family days

Date	Occasion	Post angle
14 Feb	Valentine's Day	Craft gift pieces; strong sales fit for CRF
2nd Sun of May (9 May 2027)	Mother's Day	Celebrate mothers; craft gift angle

Date	Occasion	Post angle
16 Jun	Day of the African Child	Safe spaces for children to learn and play
3rd Sun of Jun (20 Jun 2027)	Father's Day	Celebrate fathers
12 Aug	International Youth Day	Apprenticeships, young craftsmen and designers
25 Nov – 10 Dec	16 Days of Activism against GBV	Respectful stance; safe workplaces
10 Dec	Human Rights Day	Short respectful message

Industry days (strongest brand fit)

Date	Occasion	Post angle
4 Mar	World Engineering Day	Showcase structures and concrete work
21 Mar	International Day of Forests / World Wood Day	Craft timber pieces, sustainable sourcing
22 Mar	World Water Day	Water-wise building, harvesting tanks
21 Apr	World Creativity and Innovation Day	Studio concepts, innovative pieces
22 Apr	Earth Day	Sustainable materials
27 Apr	World Design Day	Studio portfolio feature
5 Jun	World Environment Day	Green building, site clean-up
15 Jul	World Youth Skills Day	Training, apprentices at the workshop
1st Mon of Oct (4 Oct 2027)	World Architecture Day & World Habitat Day	Flagship studio post: best project of the year
31 Oct	World Cities Day	Kampala urban design angle

Date	Occasion	Post angle
19 Nov	World Toilet Day	Sanitation in building design

Care notes for sensitive days

- Suicide prevention and mental health posts follow safe messaging guidance (WHO): no mention of methods, no dramatic images, always a hopeful message and a verified local helpline or support contact. Confirm the helpline number before each post.
- Cancer, sickle cell, HIV and remembrance posts carry no promotions, prices or "shop now" lines.
- Religious greetings use the correct greeting for that faith and are approved by someone of that faith if unsure.
- Prepare each post at least 3 days ahead; schedule for 7–8 am on the day.

Part D — Sales & client engagement

These 14 documents take a client from first enquiry to signed job. Proposals and quotations come in three sector versions.

Code	Document	What it is and why it matters	Standard / format
FMC-SAL-ENQ	Client enquiry / intake form	Captures who, what, where, budget, timeline at first contact so nothing is lost.	A4 form + online form
FMC-SAL-SVM	Site visit / measurement record	Notes, sketches, measurements and photos from the first site visit.	A4
FMC-SAL-QTN	Quotation	Priced offer for defined work: items, quantities, rates, totals, VAT, validity (e.g. 30 days), payment terms. Used mostly for Craft and Concrete.	A4; one per sector

Code	Document	What it is and why it matters	Standard / format
FMC-SAL-PRP-SDC	Design & build proposal	Full proposal: cover, understanding of brief, scope, approach, stages, programme, team, fees, exclusions, assumptions, terms, acceptance page.	A4, 8–20 pages
FMC-SAL-PRP-CRF	Craft commission proposal	Concept sketches/mood images, materials and finishes, dimensions, timeline, price, deposit.	A4, 3–6 pages
FMC-SAL-PRP-CNC	Concrete supply / works proposal	Products or works, quantities, delivery/pour schedule, site requirements, price, terms.	A4, 3–6 pages
FMC-SAL-FEE	Fee proposal (studio)	Design fees broken down by RIBA stage, lump sum or percentage, hourly rates for extras.	A4
FMC-SAL-BOQ	Priced summary / BOQ cover	Client-facing summary of the bill of quantities by element (not the technical BOQ itself).	A4 + spreadsheet
FMC-SAL-TND	Tender cover letter & checklist	Covering letter plus list of everything a tender submission must include.	A4; PPDA format for public tenders
FMC-SAL-LOI	Letter of intent / acceptance	Client confirms they want to proceed before the full contract is signed.	Letterhead

Code	Document	What it is and why it matters	Standard / format
FMC-SAL-AGR	Client agreement (per sector)	Simple contract: parties, scope, price, payment schedule, timeline, changes, warranty, termination, disputes. Construction version references FIDIC; Craft/Concrete versions are short-form.	A4; review by a lawyer before first use
FMC-SAL-TCS	Standard terms & conditions	Printed on the back of quotations and invoices: deposits, validity, delivery, ownership until paid, cancellation, warranty.	A4, small print, one per sector
FMC-SAL-NDA	Non-disclosure agreement	Protects designs and client information.	A4
FMC-SAL-FUP	Follow-up and decline letters	Standard letters for chasing a quote, thanking a client, or politely declining work.	Letterhead / email

Part E — Finance: invoices, receipts and forms

Receipts come in three sector series as you asked, each with its own numbering so income per sector is easy to track. Every invoice and receipt carries: company name, TIN, address, client name and TIN (if business), date, document number, description, quantity, unit price, subtotal, VAT 18% (if registered), total in figures and words, payment method, EFRIS fiscal number and QR slot, signature/stamp.

Receipts

Code	Document	What it is and why it matters	Standard / format
FMC-FIN-RCT-CRF	Craft works receipt	Proof of payment for craft pieces: item, finish, deposit or balance, balance outstanding, collection/delivery note.	A5 with duplicate (carbon or digital copy)

Code	Document	What it is and why it matters	Standard / format
FMC-FIN-RCT-CNC	Concrete receipt	Proof of payment for concrete products or works: product/grade, quantity (m^3, pieces), delivery ticket reference.	A5 with duplicate
FMC-FIN-RCT-SDC	Studio & Construction receipt	One shared receipt for design fees and construction payments: project name, stage or certificate number paid against, contract sum and balance.	A5 / A4 with duplicate
FMC-FIN-RCT-DEP	Deposit / advance receipt	Records an upfront deposit and states it is part-payment, not full settlement.	A5 (can be a variant of each sector receipt)
FMC-FIN-RCT-CSH	Cash sale receipt	Quick receipt for over-the-counter small sales.	A6 or thermal 80 mm

Invoices and statements

Code	Document	What it is and why it matters	Standard / format
FMC-FIN-PFI	Pro forma invoice	Advance bill for the client to raise payment or get approvals; not a tax invoice.	A4
FMC-FIN-INV	Tax invoice (per sector)	The formal demand for payment. Sector versions show the right fields (items for Craft/Concrete, stage or valuation for SDC).	A4; issued via EFRIS if VAT-registered
FMC-FIN-IPA	Interim payment application	Contractor's monthly claim on construction projects: work done to date, materials on site, less retention and previous payments.	A4 + schedule; FIDIC-style

Code	Document	What it is and why it matters	Standard / format
FMC-FIN-CRN	Credit note	Reduces or cancels an invoice (returns, overcharge, discount).	A4
FMC-FIN-DBN	Debit note	Adds a charge to an issued invoice.	A4
FMC-FIN-SOA	Statement of account	Lists all invoices, payments and balance per client.	A4
FMC-FIN-RMD	Payment reminders	Three escalating letters: friendly reminder, second notice, final demand.	Letterhead / email

Purchasing and internal finance

Code	Document	What it is and why it matters	Standard / format
FMC-FIN-LPO	Purchase order (LPO)	Your official order to suppliers; controls what is bought and at what price.	A4
FMC-FIN-RFQ	Request for quotation (to suppliers)	Asks 2–3 suppliers for prices on the same items.	A4
FMC-FIN-GRN	Goods received note	Confirms what actually arrived, checked against the LPO.	A5
FMC-FIN-PCV	Petty cash voucher	Records small cash spending with receipt attached.	A6
FMC-FIN-EXP	Expense claim	Staff claim back money spent for the business.	A4
FMC-FIN-PAY	Payment voucher / requisition	Request and approval to pay a supplier or subcontractor.	A4
FMC-FIN-SCP	Subcontractor payment certificate	Confirms work done by a subcontractor and amount due.	A4
FMC-FIN-BUD	Project budget & cost tracker	Budget vs actual per project.	Spreadsheet

Part F — Construction administration (non-technical)

These 28 forms manage communication, changes, progress, money and handover on site, with no engineering calculations in them. Each carries the project code, ISO 19650 document number, revision and a sign-off block.

Communication & information

Code	Document	What it is and why it matters	Standard / format
FMC-CAD-RFI	Request for Information (RFI)	Formal question to the designer/client when drawings or specs are unclear. Fields: RFI no., date, raised by, to, subject, question, reference drawing, suggested answer, required-by date, cost/time impact (Y/N), response, responder, date.	A4; RFI log alongside
FMC-CAD-RFL	RFI log	Tracks all RFIs: status, days open, impact.	Spreadsheet
FMC-CAD-TRN	Document transmittal	Cover sheet recording which drawings/documents were sent, to whom, revision and purpose (info, approval, construction).	A4; ISO 19650 status codes
FMC-CAD-DRG	Drawing / document register	Master list of every drawing and its current revision.	Spreadsheet
FMC-CAD-SUB	Submittal cover sheet	Sends samples, product data or shop drawings for approval and records the decision (approved / approved with comments / revise / rejected).	A4
FMC-CAD-LTR	Project letter template	Formal project correspondence with reference numbering.	Letterhead

Meetings & reporting

Code	Document	What it is and why it matters	Standard / format
FMC-CAD-AGD	Meeting agenda	Standard agenda for kick-off and progress meetings.	A4

Code	Document	What it is and why it matters	Standard / format
FMC-CAD-MIN	Minutes of meeting	Attendees, discussion, decisions, actions with owner and due date.	A4
FMC-CAD-ATT	Attendance register	Signature list for meetings and toolbox talks.	A4
FMC-CAD-DSD	Daily site diary	Weather, labour on site, plant, deliveries, work done, visitors, issues, photos. Strong evidence in disputes.	A4 / app
FMC-CAD-WPR	Weekly progress report	Summary of the week: progress %, photos, issues, look-ahead.	A4
FMC-CAD-MPR	Monthly client report	Progress vs programme, cost status, risks, RFIs, variations, photos.	A4, 4–8 pages
FMC-CAD-PHO	Photo record sheet	Dated, captioned progress photos.	A4

Instructions & changes

Code	Document	What it is and why it matters	Standard / format
FMC-CAD-SIN	Site instruction	Written instruction issued on site; confirms verbal instructions.	A5 / A4
FMC-CAD-VRQ	Variation request	Contractor asks for a change, with reason, cost and time impact.	A4
FMC-CAD-VOR	Variation order / change order	Client's approval of a change in scope, price or time.	A4; FIDIC Clause 13 logic
FMC-CAD-VRL	Variations log	Tracks all variations and their value.	Spreadsheet

Code	Document	What it is and why it matters	Standard / format
FMC-CAD-NOD	Notice of delay	Formal notice that an event will delay completion.	Letterhead; FIDIC Clause 20 notice timing
FMC-CAD-EOT	Extension of time claim	Requests more time with supporting evidence.	A4
FMC-CAD-NCR	Non-conformance report	Records work not meeting the requirement and how it will be fixed.	A4
FMC-CAD-MRQ	Material requisition (site)	Site requests materials from store/office.	A5
FMC-CAD-DLN	Delivery note	Accompanies goods to site; client signs on receipt.	A5 with duplicate
FMC-CAD-INR	Inspection request	Asks the client/consultant to inspect before covering work.	A5

Completion & handover

Code	Document	What it is and why it matters	Standard / format
FMC-CAD-SNG	Snag / punch list	Defects to fix before handover, with location, photo, responsible party, status.	A4 + spreadsheet
FMC-CAD-PCC	Practical completion certificate	Confirms works are complete enough for handover; starts the defects period.	A4
FMC-CAD-HOV	Handover certificate & checklist	Keys, manuals, warranties, as-builts handed to client; client signs.	A4

Code	Document	What it is and why it matters	Standard / format
FMC-CAD-DLP	Defects liability notice & final certificate	Notices during the defects period and the final certificate at its end.	A4
FMC-CAD-CSF	Client satisfaction survey	Short feedback form at close-out.	A4 / online

Part G — Design studio documents

These 10 documents run the design side, organised around RIBA Plan of Work stages 0–7 so the client signs off each step before you move on.

Code	Document	What it is and why it matters	Standard / format
FMC-STD-BRF	Design brief questionnaire	Client needs, rooms/spaces, style, budget, timeline, site constraints. The base of every design.	A4 / online form; RIBA Stage 0–1
FMC-STD-SOS	Scope of services schedule	Exactly what the studio will and won't deliver at each stage. Attached to the fee proposal.	A4
FMC-STD-STG	Stage sign-off form	Client approves concept, developed and technical design before the next stage starts. Protects your fees.	A4; RIBA Stages 2, 3, 4
FMC-STD-PRS	Design presentation board / deck	Standard layout for presenting concepts, mood boards, renders.	A3 landscape / 16:9
FMC-STD-MDB	Mood / materials board	Finishes, colours, textures, furniture selections for client approval.	A3

Code	Document	What it is and why it matters	Standard / format
FMC-STD-TBK	Drawing title block & sheet border	Branded drawing frame used by all CAD/BIM output.	ISO 5457 sheet sizes, ISO 7200 title block fields
FMC-STD-ISS	Drawing issue sheet	Records each issue: date, recipient, revision, purpose.	A4; ISO 19650 status codes
FMC-STD-RVL	Revision log / design change record	What changed between revisions and why.	A4 / spreadsheet
FMC-STD-CLR	Client comments record	Captures client feedback on each submission and your response.	A4
FMC-STD-APP	Planning / permit application checklist	Documents needed for building permits from the local authority (e.g. KCCA in Kampala).	A4 checklist

Part H — Craft and Concrete sector documents

These 14 documents cover what is unique to selling made products and concrete. Receipts and invoices for both sit in Part E.

Craft works

Code	Document	What it is and why it matters	Standard / format
FMC-CRF-ORD	Commission / order form	Client's confirmed order: piece, dimensions, material, finish, colour, quantity, price, deposit, delivery date, sketch. Both sign.	A4
FMC-CRF-JOB	Workshop job card	Internal card that follows the piece through production: materials issued, stages, hours, quality check.	A5

Code	Document	What it is and why it matters	Standard / format
FMC-CRF-QCC	Quality check sheet	Final inspection before delivery: finish, dimensions, defects.	A5
FMC-CRF-TAG	Product tag / label	Hang tag with brand, product name, material, care symbol, code.	e.g. 50 × 90 mm
FMC-CRF-CAR	Care & maintenance card	How to clean and look after timber, metal or other finishes.	A6 card
FMC-CRF-WAR	Warranty card	Warranty period, what's covered, how to claim.	A6 card
FMC-CRF-CER	Certificate of authenticity	For bespoke or limited pieces: name, number, date, signature.	A5

Concrete

Code	Document	What it is and why it matters	Standard / format
FMC-CNC-ORD	Concrete order form	Client's order: product or mix grade (e.g. C25/30), volume, site address, date/time, access, pump required.	A4; grade naming per BS EN 206
FMC-CNC-DTK	Delivery ticket	Travels with each load: ticket no., truck, grade, volume, batch time, arrival, discharge time, client signature.	A5, triplicate; BS EN 206 / ASTM C94 delivery-ticket fields
FMC-CNC-POR	Pour schedule & record	Planned vs actual pours per project, loads, times, weather. Administrative, not design.	A4 + spreadsheet
FMC-CNC-PRD	Product data sheet	One sheet per precast product (blocks, pavers, kerbs, slabs): sizes, weight, uses, photos.	A4 per product

Code	Document	What it is and why it matters	Standard / format
FMC-CNC-CUB	Cube test results cover sheet	Branded cover for passing lab results to the client. The lab report itself stays as issued.	A4
FMC-CNC-CCF	Certificate of conformity	Confirms supplied product meets the stated standard (e.g. UNBS / US EAS standard where applicable).	A4
FMC-CNC-SRC	Site readiness checklist	What the client must have ready before a pour or delivery: access, formwork checked, water, labour.	A4

Part I — HR, admin and HSE

These 15 forms run the people and safety side across all sectors.

Build order

Build in five phases, money-earning documents first, so FormCraft can use templates within the first week.

1. **Phase 1 — Brand foundation:** sort the designer's files, colour and type specs, folder structure (Part A).

2. **Phase 2 — Get paid:** three sector receipts, tax invoice, pro forma, quotation, letterhead, business card (Parts B, E).
3. **Phase 3 — Win work:** company profile, three brochures, proposals per sector, poster and social kits (Parts C, D).
4. **Phase 4 — Run projects:** RFI, transmittal, site instruction, variation order, minutes, site diary, reports, handover set (Part F), plus studio sign-offs (Part G).
5. **Phase 5 — Operations:** Craft and Concrete forms, purchasing, HR and HSE (Parts E, H, I).

What I need from you

- [ ] Upload the graphic designer's brand files (logos, colours, fonts, any guidelines)
- [ ] Confirm the company's registered name, TIN, address, phone, email, website
- [ ] Confirm whether FormCraft is VAT-registered and on EFRIS
- [ ] Confirm sector names as you want them printed (e.g. "FormCraft Studio & Construction")
- [ ] Bank / mobile money details for invoices
- [ ] Tick or strike any documents above you don't need
